Contributions or gifts to MLHA and the American Hotel & Lodging Association are not tax deductible as charitable contributions for income tax purposes. However, they may be deductible as ordinary and necessary business expenses subject to restrictions imposed as a result of association lobbying activities. The Montana Lodging & Hospitality Association and American Hotel & Lodging Association estimate that the nondeductible portion of your dues (the portion which is allocated to lobbying) is 20%.

Thank you - we look forward to working with you to strengthen and better the lodging and hospitality industry in Montana!
